

CITY OF CHILLICOTHE  
SHADEMAKER'S MEETING MINUTES  
THURSDAY APRIL 11, 2019

Committee Chairman Trish Connor opened the meeting. In attendance: Mayor Don White, Alderman Trish Connor, Jane Harrison, Michelle Warren, Barb O'Connor, Maria Geiger.

Trish introduced Kevin Bennett, from Trees Forever. He gave a bit of his background and his interest in working with the Shademakers and the City of Chillicothe. It was decided that the day of the Easter Egg Hunt, April 20<sup>th</sup>, Mr. Bennett would give a small presentation to all who attended the Hunt, and then proceed to plant a state tree in the City Park. We were to also hand out Sunflower seed packets, and possibly a tree for the citizens to plant in their yard.

Mayor Don White then proceeded to name the following people to terms on the Shademaker's Committee: Trish Connor, Shawn Sutherland, Michelle Warren, Dixie Meeks, Jane Harrison, Barbie O'Connor, Sandy Levell, Judy Thornton, and Maria Geiger. It had been decided to make the number on the committee down to nine.

Trish brought up that we will be getting new shirts for the committee. Maria Geiger suggested they be polo style this time.

Trish spoke about the possibility that we will be participating with another group at Summer Camp. More will be reported at the next meeting, as we needed to clarify exactly what they wanted from us.

Trish spoke a little about Sycamore Park Trail, as to how they are a separate entity, and we are assisting them with fund raising for the playground within that subdivision.

It was decided that we would not be participating with the Plant Auction during Claude-Allen Days. It was a lot of work for the small amount that was generated from the auction. It could be done again, just not this year.

Respectfully submitted,

Maria Geiger

Secretary
